Building a Framework for Learning

**Junior Reserve Officers Training Corps (JROTC)
Leadership Education and Training
(Leadership, Character, and Student Success)**

"Motivating young people to be better citizens"

"The solution to low test scores is not lower standards; it's tougher, clearer standards," he argued. At the same time, however, he urged states to develop standards "that don't simply measure whether students can fill in a bubble on a test but whether they possess 21st century skills like problem-solving and critical thinking, entrepreneurship and creativity."

- President Barack Obama

"Motivating young people to be better citizens"

"They are a positive learning environment. I love the sense of leadership. I love the sense of discipline."

***Then CEO of the Chicago Public Schools Arne Duncan
on the Chicago Military Academies***

"Motivating young people to be better citizens"

"Inner-city kids, many from broken homes, found stability and role models in Junior ROTC.

They got a taste of discipline, the work ethic, and they experienced pride of membership in something healthier than a gang.

... Junior ROTC is a social bargain."

Former Secretary of State Colin Powell
